

The Management Board of FEERUM S.A. ("Company") informs about the change in the forecast of financial results for 2013 in relation to the forecasts published on 22 May 2013 in the current report No. 15/2013.

The current financial forecast of the Capital Group FEERUM S.A. published on May 22, 2013, assumes the following financial results:

- Sales revenues - PLN 72.120 thousand zł
- EBITDA - 14,020 thousand zł
- Net profit - PLN 10,112 thousand zł

Verified forecast of the Capital Group FEERUM S.A. assumes achieving the following financial results:

- Sales revenues - 87,627 thousand. zł
- EBITDA - PLN 16,079 thousand zł
- Net profit - PLN 12,062 thousand zł

The increase in sales revenues results from a wide portfolio of orders and strengthening of the position on the domestic market. Obtaining EBITDA and net profit at a level higher than assumed earlier is the result of better than expected revenues from sales.

The financial forecast has not been subject to any assessment of the statutory auditor. The assessment of the possibility of implementing forecasts will be made at least once a quarter and will be published in periodic reports. In the event of discrepancies in the value of the projected amounts by at least 10% in one of the three given result items, the Management Board of FEERUM S.A. will immediately provide the correction of the forecast with the current report. This correction will constitute a new forecast of the results of the FEERUM SA Capital Group.
